Jet Lowe, photographer, March 14, 1989

- PA-270-1 PLAN OF MOXHAM, JOHNSTOWN, PENNA. ALL REGULAR LOTS 40 FT BY 120 FT. TRACED FROM DRAWING 10742 (dated February 1, 1892), THE JOHNSON COMPANY, SCALE 1 INCH - 160 FT, SEPT. 19TH 1898. DRAWING NUMBER 29781. Original plan for the Town of Moxham drafted in 1887-88, company archives contain several revised blueprints of the original plan. This revision reflects the subdivision of the Von Lunen Grove into residential lots, but still indicates the "Moxham Block" on which the original Moxham Estate was built in 1888-89. (Photograph of drawing held at the Johnstown Corporation General Office, Johnstown, PA)
- PA-270-2 ADDITION TO PART OF MOXHAM, CAMBRIA COUNTY, PENNA. NOTE. ALL REGULAR LOTS 40 FT BY 120 FT. Drawing dated May 26, 1888 and notarized June 22, 1888. Company drawing number 27607. This drawing does not yet indicate the planning for the Moxham Block or for the Von Lunen Grove. (Photograph of drawing held at the Johnstown Corporation General Office, Johnstown, PA)
